

AKBAR ZAQI FIKTARIZAEN

Web Developer / Software Engineer — Informatics Student, Universitas Ahmad Dahlan

+62 895-3631-63250 | zakiakbar143@gmail.com | Jetis RT21, Patalan, Jetis, Bantul

SUMMARY

Final-year Informatics student at Universitas Ahmad Dahlan with a focus on web development. Experienced in building full-stack web applications using JavaScript/TypeScript, React, Next.js, Node.js, and Laravel (PHP), complete with REST APIs, relational databases, and version control (Git/GitHub). Comfortable working in a Linux environment, familiar with the MVC concept, and enjoys learning new technologies. Able to work both independently and in cross-disciplinary teams.

EDUCATION

B.Sc. in Informatics — Universitas Ahmad Dahlan | 2023 - Present

- Active member of the Robotic Development Community (RDC), Universitas Ahmad Dahlan.
- Final thesis on computer vision & object detection for a robotics system (machine learning field).

Software Engineering (Vocational High School) — SMK N 1 Bantul | 2020 - 2023

- Learned the fundamentals of software and website development, including PHP, JavaScript, and databases.

ACHIEVEMENTS

International

- Participant, Team R-SCUAD — RoboCup Asia-Pacific Beijing Masters 2025, RoboCup Humanoid League AdultSize (3 vs 3).
- 7th Place - Support Team Robo Erectus — RoboCup Asia-Pacific Beijing Masters 2025, RoboCup Humanoid League AdultSize (5 vs 5).
- 8th Place - Support Team Bart Lab — RoboCup Asia-Pacific Beijing Masters 2025, RoboCup Humanoid League AdultSize (3 vs 3).

National

- Finalist — Indonesian Humanoid Robot Soccer Contest (KRSBI-H) 2024, National Level, Kontes Robot Indonesia 2024 (Universitas Muhammadiyah Surakarta).

Regional

- 2nd Place — Indonesian Humanoid Robot Soccer Contest (KRSBI-H), Regional Level, Kontes Robot Indonesia 2024 (Universitas Muhammadiyah Surakarta).

EXPERIENCE

Laboratory Assistant - Electrical Engineering Robotics — Universitas Ahmad Dahlan | 2026 - Present

- Mentored students in the fundamentals of Robot Operating System (ROS) and robotics.
- Assisted with lab sessions, Linux environment setup, and troubleshooting of robotics systems.

React & Back-End With AI Cohort — Asah Bootcamp, Led by Dicoding | August 2025 - January 2026

- Developed web applications using JavaScript, React, and back-end development.
- Built REST APIs and applied solid programming fundamentals and software development logic.
- Used Git and GitHub for version control and team project collaboration.

Informatics Laboratory Assistant — Universitas Ahmad Dahlan | 2025

- Teaching assistant for the Object-Oriented Programming (OOP) course, guiding students in applying OOP concepts.

Programmer, Humanoid Robot Team — Universitas Ahmad Dahlan | 2024 - Present

- Conducted research and development of humanoid robot systems for regional and national competitions.
- Focused on computer vision and robot algorithm development using Python and C++.

Web Developer (Internship) — Seven Inc Jogja | June - December 2022

- Learned the Laravel framework and MVC concept for PHP-based web application development.
- Developed a job-listing website end-to-end — UI, features, and data management — as the internship project.

WEB PROJECTS

- LMS Website (Learning Management System)** — Online learning platform with AI model integration.
- Boarding House Management Website** — Web-based system for managing tenant and room data.
- Laundry Management System** — Web-based application for managing laundry transactions and data.
- Chatbot Built with Vercel AI SDK** — Web chatbot application integrated with Vercel's AI SDK.
- Personal Notes App** — Web-based personal note-taking application.
- Personal Portfolio Website** — Web-based personal portfolio showcasing profile and projects.

TECHNICAL SKILLS

Programming Languages: JavaScript, PHP, Python, C++

Web Development: React.js, Next.js, Node.js, Express.js, Hapi.js, Laravel, REST API

Database & ORM: MySQL, PostgreSQL, Redis, Prisma ORM, Eloquent ORM

AI & Tools: Generative AI, Postman

Tools & Technologies: Linux, Git & GitHub, Docker

TRAINING & SEMINARS

- Digital Training: Google AI Pro x Google Student Ambassador, Universitas Ahmad Dahlan (2025).
- Financial Literacy and Consumer Protection Education Seminar, National (2025).
